Years ago, a verse came alive to me as I read God's Word. I had gotten very weary in a trial of my faith and several friends in the Lord stayed close and helped me. The verse was *Isa 50:4 "The Lord has given me His words of wisdom so that I should know what to say to all these weary ones. Morning by morning He wakens me and opens my understanding to know His will."* We can see this being fulfilled as so many weary people come to our doors and need encouragement, love and a helping hand. What they really need is the Lord's power to overcome from God's word, and Jesus with flesh on for fellowship and family. They're tired of the world and its deceitful lusts and lies and they want out. They need us. Those who will mentor and care genuinely for them, speaking the truth in love..

These economic bad times are causing many to be weary and tired. But I have a word for you, and for us also. My God is able, especially now! Whatever comes, we just keep doing the next right thing! *"Don't you understand? Don't you know by now that the everlasting God, the creator of heaven and earth, never grows faint or weary. No one can fathom the depths of His understanding. He gives power to the weary and worn out, and strength to the weak. Even the youths shall be exhausted, and the young men will all give up. But they that wait upon the Lord shall renew their strength. They shall mount up with wings of eagles; they shall run and not be weary; they shall walk and not faint. Isa 40:28-31 Truth for today!"*

Meet Calvin. He entered prison as a wild youth of 21 and now he is 43. His childhood was spent in Avon Park Fl. Six years ago in prison Calvin reached out to Jesus, and was saved. He enrolled in Little Lambs School of the Bible which played a big part in creating a new Calvin. He Graduated after 2 years. Calvin was released in November after serving a straight 22 years. He was released with \$100, no job, no transportation, no clothes, a very dangerous living situation at home regarding people, places and things, and a much different world then 1989. Calvin called "his Little Lambs family" in desperation. We are helping him walk out the starting over. First big hurdles find a safe and stable place to live and work. He will be attending all our classes and staying close to the ministry until he finds work. He carries his Little Lambs Graduation Bible with him, which is a gift from you. We thank you and Calvin thanks you. He is a new man.

Gal 6:10 "As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith."

Dear Friends & Family,

We are starting our 16th year working together with God and you, to make up this fruitful productive ministry. Thank you for another year of loving, praying, and giving. Thanks for the phone calls and special caring by checking on us, from time to time, by dropping in. We continue in the mission to serve the prisons and free who are broken and bleeding in our communities. We mailed out 7,334 bible studies to adult and juvenile men, women, boys and girls in prisons, jails, youthful offender facilities and detention centers around America for Little Lambs School of the Bible. Our staff of God's men and women and you, behind the scene as warriors, are above & beyond what any ministry or large corporation could hope for. Although income is down for the ministry, we have made the necessary cuts and continue our same level of service. We are working on Grace Place and will continue as we have the funds. 2011 will be another year of challenge and we are looking forward to it. Thank you for 15 years of service. Love John & Eleen
