Lessons from the Lockdown 2

Several things have always continued to impress me since knowing the Lord back in 1980 and became my desire since then. *For a day in your courts is better than a thousand. I had rather be a door keeper in the house of my God, than to dwell in the tents of the wicked. Psa 84:10 And: Him that overcomes will I make a pillar in the temple of my God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of my God, which is the new Jerusalem, which comes down out of heaven from my God, and I will write upon him my new name.*

Now, doorpost or pillar, with lots of time on my hands in the ‘social distancing,’ to read, study, and pray the book of revelation of Jesus Christ, I found I began to observe the worship in heaven. All too often I have focused on the judgments coming on the earth, but now I made the worship in heaven my focus, things the angels and people said and did in heaven as worship of the King and the Lamb. I found it a glorious help in prayer and worship. Join me in looking at this worship.

Jesus starts by saying , ***“I am Alpha and Omega, the beginning and the ending.”*** Rev 1:8. Then the beasts say, ***“Holy, holy , holy , Lord God Almighty, which was, and is and is to come. Rev 4:8*** Elders then began casting crowns saying ***“Thou are worthy, O Lord, to receive glory and honor and power; for you have created all things, and for your pleasure they are and were created. “Rev 4:11*** The elders with harps and the prayers of the saints sing this song: ***You are worthy to take the book, and to open the seals thereof: for you were slain, and have redeemed us to God by your blood out of every kindred, and tongue, and people, and nation; and have made us unto our God kings and priests. Rev 5:9*** **Then everyone, angels, beasts, elders, people around the throne proclaim, *Worthy is the Lamb that was slain to receive power, and riches, and wisdom, and strength, and honor and glory, and blessing. Rev 5:12***

And finally on that day, everyone on earth and heaven say, ***“ Blessing, and honor, and glory, and power be unto him that sits upon the throne and unto the Lamb for ever and ever. Rev 5:13***

After the 7th trumpet, the angels cry out: ***The kingdoms of this world are become the Kingdoms of our Lord, and of His Christ: and he shall reign for ever and ever. Rev 11:15***

Then the elders worship: ***We give you thanks, O Lord God Almighty, which are, and were, and are to come; because you have taken to you your great power, and have reigned. And the nations were angry, and your wrath is come, and the time of the dead, that they should be judged, and that you should give reward to your servants the prophets, and to the saints, and them that fear your name, small and great: and should destroy them that destroy the earth . Rev11:17-18*** Rev 15:3-4 is the victory song of Moses sung again in heaven: ***Great and marvelous are your works, Lord God Almighty; just and true are your ways, you King of saints. Who shall fear you, O Lord, and glorify your name? For you only are holy, for all nations shall come and worship before you, for your judgment are manifest. And finally: Alleluia, for the Lord God omnipotent reigns. Let us be glad and rejoice, and honor to him; for the marriage of the Lamb is come, and his wife has made herself ready. And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of the saints. Blessed are they who are called to the Marriage supper of the Lamb. Rev 19:6-9*** **Then Jesus ends with: *Behold, I come quickly; and my reward is with me, to give to every man according as his work shall be. I am Alpha And Omega, the beginning and the end, the first and the last. I am the root and the offspring of David, and the bright and morning star. Rev 22-12-13 AMEN***

Essay on Resurrection from Bible Study

I can only imagine, because that was such a great day. I think back at the beginning, the day Jesus was born, how the angel of the Lord came with good tidings of great joy. There was a multitude with him of heavenly host praising God. Now this same Jesus has been crucified, his last words were "My God, my God, why hast thou forsaken me," and he cried with a loud voice, yielded up the ghost. Now he is dead; he is put in a sepulcher and a great stone rolled in front of the door. There are centurions set to watch. Jesus' disciples are somewhere and are heart broken, the one that touched their lives like no other is gone. The one that healed them when they were sick; the one that fed them and gave them comfort like no other man; they had such peace with him and he showed them great love. Now he is gone! The women that knew him are probably some where crying their eyes out with deep sadness. All through out the land people are sitting in their homes talking about the "man from Galilee;" so many of them that their lives were touched by him. It is said that he could have called 'legions' of angels to take him down from the cross but yet he didn't. Now with him in the grave, it could just be legions of angles all camped out around with the stillness and quietness of the days and nights. Then when the time came and 'God sent out his word and picked out the 'angel' he wanted for the job in hand, he came, and with such power that there was a great earthquake; he was like lightning! The stone is rolled away and Jesus comes forth. I cannot imagine the rejoicing and praising that was done. It says of one sinner that is saved the angels' rejoice, just think how much more the day that Jesus came out of that grave! I would like to meet the angel that rolled that stone away some day! *Richards vivid imagination of that special day!*

Dear Salas /Staff, It has truly been an honor and a privilege to have studied and learned so much more through your lessons. I pray that other open-minded /hearted students find their way to your ministry. I continually recommend you to fellow believers in Christ. Dear John & Eileen, It was a privilege to take your bible course. I wanted to let you know that I received the bible you sent me. I will cherish it forever. Thank you! I have taken a number of different courses through the years, I even have a 2 year theology degree form the foundation ministries. Your course is spot on and was fun to do. Don't be surprised if people write to you from my neck of the woods. Your faithful servant, Dean

Hey Little Lambs Staff

You know, it's always good to hear from you. I remember writing you way back requesting to do your lessons. I had that feeling of being empty. Now when I breath the fresh air of the gospel I realized that I was empty and denied the truth all these years. I thank you and the Holy Spirit for opening my heart and eyes to see the precious light of the glorious word of God. There's nothing that blesses my heart more than learning what God's true word has to say about everything. I owe it all to you. For I would be lost, boy, that's scary! I can't even begin to thank you enough. I pray that out of glorious riches He may strengthen you with power through his spirit in your inner being . God bless, Bill.

My name is William hardy. I'm writing to ask you on material on bible study. I recently been looking for material to study the bible. It took 2 1/2 months for me to get a bible and I asked for material but was told that they don't have any, just bible study on certain days. So I went and still could not get any, just scriptures to study. So I prayed to God that I wanted to study his word and I read the bible all the time. Then the next thing I know I was out in the rec yard and seen some books in the day room and I came across a book marker which said 'little lambs inc' on it so I was reading the marker which had books of the bible old and new testaments and right below the address I see "Free Bible Study Program for Inmates and Family Who Write. 16 Studies-Bible at Graduation, You are invited to join us!!" I was so excited I said out loud 'Thank you, God, for answering my prayers'" and the other inmates looked at me confused so I told them what happened and how I wanted to study the bible and I prayed to "God to help me find a way to do it. They all know I've been looking and asking for material and they want too know how I prayed for stuff and God answered my prayer. I prayed for a job and got one. I prayed for multiple things and got answers so now I have prayer almost every night so I'm so excited to finally get any material to study the bible. God bless! Will

A Graduate: Hello. Just a few lines to say thank you for my beautiful bible. Studying with y'all has been an amazing journey for me. I want to thank you all for your patience and time. I have come a long way. Trust me, the journey has not been easy for me. The devil tested me the whole time, so many times I just wanted to give up. The years that I have been doing this study, I've lost four of my family. I was so angry with God. Here I am trying to do the right thing and He's taking all my family, but I knew that was Satan trying to steal my joy. So once I put the devil under my foot, I was alright. The devil didn't win, he only made me stronger. You know God is a good God. He never gave up on us. No matter what we do or go through he's there waiting for us with open arms. There's no limit to his love. I now know that I was looking for love in all the wrong places when He was right there the whole time. God don't push us to do anything, He allows us to make our own choices and mistakes but He never leaves our side. He wants us to come to Him willingly. I've learned so much from my lessons. Just keep me uplifted in prayer. I love you. God bless you. Willie

A wonderful Letter from an old Friend:

Dear Friends, I am just writing to say hi and to give you a warm thank you from the bottom of my heart for helping me out so many years ago, 2005-06. That's when I met Eileen Sala and John. One day at lunch I just saw the sign and walked into the place. Eileen prayed with me and opened my eyes with God's words on co-dependency. I took the classes and my life changed. I changed and left behind the bad and started anew.

Lots of things changed for the better. I still read up with Dr. Townsend and McCloud and do the podcast sometimes. Anyway, just wanted to say I am grateful for all your help! Please say hi, to Maria and Willie. They are old friends. Take care and hope all are well. Margie, Pa. *Margie sent a donation with her letter. It is so good to see that God is faithful and changes can be permanent. Thank you, Margie!*

The Midnight Hour Hello. Thank you for taking out the time to invest into the lives of men incarcerated throughout the world. It's good to know that even in a world of so much demonic influences that someone is still on the Lord's side. Look at all the Bible prophecies that are unfolding right before our very eyes. We seem to be approaching the "Midnight Hour" of life on earth as we know it. A Global Pandemic, nations rising against nations, political corruption and social unrest is at 20/20 focus right now. Not to mention various other things like abortions, even at the 9th month of pregnancy, people marching on Washington for gay rights even after they have already been awarded, same sex marriage (thanks to the Supreme Court). Earthquakes are happening in places that have never experienced them in documented world history. I believe Jesus is on His way back traveling through 'light years' on His journey. I am not insane or nothing, so don't worry :) I'm just glad to be a part of God's family. The Word of God has given me so much courage and Faith to face the 'challenges of the day.' It also has been God's instrument in showing me all the errors of my ways that I can lay them at the foot of the cross. All the 'Goliaths of life' must fall flat and be defeated at the name that is above all names and that is Jesus Christ. Thank you for your prayers because I want God to be right in the middle of everything that happens in my life. Nothing can stop God from occupying space as we all can agree that He is everywhere at one time. Your bible study is a pray, sit still, and meditate endeavor! I have been showing some of my other Christian brothers and peers this Bible Study. I get two responses for the babes in Christ; they back down deeming the study to be too strenuous and complex, even without trying first. For the "Bible thumping theologians," they deem it to be too fundamental and basic, even without trying first. I am very grateful unto the Lord for what you are doing. I do not want to become so big-headed that I become too prideful and egotistical about how much I already know about the bible. Actually, I can sit and read the same scripture back to back and it will become a 'kaleidoscope' of enlightenment through the Holy Spirit. You work and labor of love is not in vain. God bless you. Richard, Tx.

Dear Eileen, thank you so very much for the most beautiful looking certificates and also for the handsome OPEN BIBLE that you generously blessed me with.:) :) (very, very happy). I like all of the study tools available in it. I especially like the history section that is between the Old and New Testaments. That bible will most assuredly get a lot of use and wear on it in my daily readings and studies. I will also miss the Little Lamb cartoons that you included with the lessons. They were a welcome bright spot. I continue to pray for eternal blessings on you and also on your ministry. Michael, Oh

Dear Partners,

Witnessing God in action is the blessing of our times. I do not have TV as such. I have a smart TV and God has made a way to show me His power. I try to stay fit as time passes and when our gym closed last fall, I decided I didn't need another gym but purchased a small treadmill in January. That way wet or hot weather I could still walk. Well, we all know treadmills are boring, so needing something to keep me focused, I found YouTube documentaries as entertaining. Then the virus happened. Then I accidentally discovered this news program on youtube with a newfound interest in China, "China in Focus". Oh my !I began to see the revelation of God. Our media is all focused on us. Turning my focus to China opened my eyes: forced abortions, slavery, murder, human trafficking, fentanyl and other drugs to the world, persecuting Christians and all faiths, and finally gene manipulation of a virus unleashed on the world with over 645,192 dead and many more deathly ill. The history of the virus was documented along with the source and all the deceit that came with it. Then China turned it's focus on Hong Kong.

As China took over the protestors in Hong King, what was the slogan of the freedom fighters, these young and passionate patriots in Hong Kong, China, without any weapons or help? Their rallying cry as they were being beaten and arrested was, "Heaven will destroy the CCP!" Not destroy China, but will destroy the Chinese Communist Party. Over and over again, and with posters, they chanted, "Heaven will destroy the CCP!" Imagine it, publicly calling on God to destroy the oppressor!

I began to take notice of what was happening in China, documented on this news program. June 13, unexplained mass fish suicide caught on camera in China, at 4:30 pm hundreds of fish began jumping and flailing wildly, leaping straight out of the water in a desperate attempt to escape...well, something. This phenomena is taken as an omen to the Chinese in the area of something bad to happen.

Early June-July, torrential rains start in China, resulting in over 50 days of heavy rain, called 'biblical proportions', resulting in tremendous flooding over 40-50% of China, especially farmland. More than 100 dams have collapsed, thousands killed, this years crops destroyed, whole cities under tons of water and the Three Gorges Dam on the Yangtze River almost failing.

June - Locusts descending on crops in southern provinces

June - tornados in China and world condemnation for spreading the virus to the world

July 10- Heavy snow in a northern province, very unusual weather

July 17- 6 earthquakes in 2 days along with landslides

July 21- 5 earthquakes on Thursday and 4 on Sunday 5.6

July - attack on India's border and killed 20 Indian soldiers turning India to be their enemy

July - cases of bubonic plague and dengue fever reported in different provinces

July - another swine flu with the destruction of multitudes of pigs in China

July - food supply in crisis with drought in the north wheat fields

July - embassy closed in Houston, Tx, for spying in the USA

July - Confucius Institutes at universities closing in USA and around the world

Now I don't know about you, but I certainly do not want to be against the Lord! Watching the nations and comparing it to the bible, this made me think of the exodus from Egypt and what happened to Egypt. Heaven will destroy the CCP! The LORD shall go forth as a mighty man, he shall stir up jealousy like a man of war: he shall cry, yea, roar; he shall prevail against his enemies. I have long time held my peace; I have been still, and refrained myself: now will I cry like a travailing woman; I will destroy and devour at once. I will make waste mountains and hills, and dry up all their herbs; and I will make the rivers islands, and I will dry up the pools. And I will bring the blind by a way that they knew not; I will lead them in paths that they have not known: I will make darkness light before them, and crooked things straight. These things will I do unto them, and not forsake them. They shall be turned back, they shall be greatly ashamed, that trust in graven images, that say to the molten images, Ye are our gods. Hear, ye deaf; and look, ye blind, that ye may see. But this is a people robbed and spoiled; they are all of them snared in holes, and they are hid in prison houses: they are for a prey, and none delivers; for a spoil, and none says, Restore. Who among you will give ear to this? who will hearken and hear for the time to come? Therefore he hath poured upon him the fury of his anger, and the strength of battle: and it hath set him on fire round about, yet he knew not; and it burned him, yet he laid it not to heart. Isa 42:13-25
