JULY 2023

PRIDE

As I look forward to celebrating our Independence, I look around our nation in this 'pride' month at the ways in which the holiness of God is flaunted, even celebrated and awarded, I am drawn over and over this month to Isaiah. Chapters 1 to 5 addresses the degradation and apostasy that Israel has fallen into and become just like the people of the land, even to worshipping their gods, Baal, Molech and Astarte. These are the same gods worshipped in this pride month or pride religion that so many are joining today. Please read "Return of the Gods" by Jonathan Kahn. He explains how this came about.

Watching the fall of the USA since America began a "Middle East Peace Plan," demanding that Israel give up their own covenant land given by God and won in the 1967 war, in exchange for peace with an Arab enemy that publically denies Israel's right to exist at all and openly says they will destroy Israel, brings to mind God's judgment of Israel for the same national sins. If God did not spare Israel, will He not judge us too, for our national apostasy? In America, we once sanctioned killing our children before they were born. Now, if that same child survives birth, he is sought after for the worst instincts of mankind. The children have become the prey! Yesterday, chanted by the "pride parade" in New York City as they marched through Tompkins Square Park were these words: "*We're here, We're queer, We're coming for your children*" (Breitbart, Amy Furr, 6/25/23 We're coming for your children: NYC Drag Marchers Chant Ominous Message at Pride Event).

In July 2021 Breitbart News reported the San Francisco Gay Men's Chorus unpublished music video where singers promised to "convert" children to LGBT once the video went viral and was posted on Youtube. Some of the lyrics: "*You think we're sinful. You fight against our rights. You say we all lead lives you can't respect. But you're just frightened. You think that we'll corrupt your kids if our agenda goes unchecked. It's funny. Just this once, you're correct.... We'll convert your children. Happens bit by bit. Quietly and subtly, and you will barely notice it. You can keep him from disco, warn about San Francisco. Make him wear pleated pants. We don't care. We'll convert your children. We'll make them tolerant and fair.*" San Francisco Gay Men's Chorus.

How does the Lord handle this kind of apostasy and rebellion?

The show of their countenance does witness against them; and they declare their sin as Sodom, they hide it not. **Woe** unto their soul! for they have rewarded evil unto themselves. Isa 3:9

Woe unto the wicked! it shall be ill with him: for the reward of his hands shall be given him. Isa 3:11

Woe unto them that rise up early in the morning, that they may follow strong drink; that continue until night, till wine inflame them! And the harp, and the viol, the tabret, and pipe, and wine, are in their feasts: but they regard not the work of the LORD, neither consider the operation of his hands. Isa 5:11-12

Woe unto them that draw iniquity with cords of vanity, and sin as it were with a cart rope: That say (mockingly), Let him make speed, and hasten his work, that we may see it: and let the counsel of the Holy One of Israel draw nigh and come, that we may know it! **Woe** unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! **Woe** unto them that are wise in their own eyes, and prudent in their own sight! **Woe** unto them that are mighty to drink wine, and men of strength to mingle strong drink: Which justify the wicked for reward, and take away the righteousness of the righteous from him! Isa 5:18-23

Woe unto them that decree unrighteous decrees, and that write grievousness which they have prescribed; To turn aside the needy from judgment, and to take away the right from the poor of my people, that widows may be their prey, and that they may rob the fatherless! Isa 10:1-2:1

Woe unto them that seek deep to hide their counsel from the LORD, and their works are in the dark, and they say, Who sees us? and who knows us? Isa 29:15

Woe to the rebellious children, says the LORD, that take counsel, but not of me; and that cover with a covering, but not of my spirit, that they may add sin to sin: Isa 30:1

Woe to you that spoil, and you were not spoiled; and deal treacherously, and they dealt not treacherously with you! when you shall cease to spoil, you shall be spoiled; and when you shall make an end to deal treacherously, they shall deal treacherously with thee. Isa 33:1

Then said he unto the disciples, It is impossible but that offences will come: but woe unto him, through whom they come! It were better for him that a millstone were hanged about his neck, and he cast into the sea, than that he should offend one of these little ones. Luke 17:1-2

And regarding those who force Israel to give up covenant land, Armageddon!

Joel 3:2 I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will plead with them there for my people and for my heritage Israel, whom they have scattered among the nations, and parted my land. v16 The Lord also shall roar out of Zion and utter his vice from Jerusalem; and the heavens and the earth shall shake; but the Lord will be the hope of His people and the strength of the children of Israel.

Dear John & Eileen Sala,

Y'all ROCK! I am currently a ministry of one at my private desk in my private cell. LOL I am learning slowly from amazing folks like y'all. The book "I'm Not Coming Back, The John Sala Story" came in today. Sidenews, I am also in contact with the Hoekstra Family at IPM (publisher of John's book). In separate package I got my first correspondence course from y'all. WOW! The little things, I've noticed they make my day like I'm floating on air. The bookmark with the books of the Bible is cool. What made it pop was the sections marked as well. The little trippy dippy hippie bookmark, yeaaaah! I have a really nice small GPS Bible from Gospel Express Ministries. The little bookmark is in it! The books of the Bible is in my mail KJV desk Bible. I have a few versions though I prefer KJV, different schools use different versions plus I get to see a wide view at why different churches hate on each other. I'm waiting on a ton of courses and going to get a degree or two and keep on truckin', right foot on the floor, left hand off the door, to deliver as many loads of souls as possible out of the Darkness and into God's plan. I got indicted today and bail still at 1 million dollars. No giggy, in here I can get my personal ministry built on a strong foundation by learning from powerhouses like y'all. Organization, attention to detail, doing what I am able (a publisher passed my letter on and 130 Christian books and bibles are set to land in our library.) That blew my mind. Our library was trash so I've been having my mom and brother send me used books to bless my neighbors some. That blessing along with both packages from y'all made my indictment have no impact on trying to harden my heart worse. I've been humbled by God's hand when I exploded my femur and at 46 have a half century behind enemy lines and I am ready to go to war for God.

Being on 22-23 hour lockdown could have been a nightmare. Instead I, with the help of God, am turning it into a blessing. Ministries like yours know that the small things mean the most to us who have been stripped back down to nothing, are a huge inspiration to me. I will definitely read your book and can't wait to dig into your courses. The most super coolest little treat in the package? The Welcome to the Family card complete with an extra birthday to celebrate. I LOVE IT! The handwritten touches make it mean even more, from in here I can't do much for y'all. But stay blessed! David, Tx.

PS My name is David A. I am a terrible sinner. I was born a sinner, I will die a sinner. Thanks is given every day to my savior Jesus Christ. With His love I can become more loving. I have badly hurt many people. I would also love to graciously thank John and Eileen for blessing me with my Little Lamb Birthday on 06-06-2023, when they welcomed me into the Family and I officially became a disciple in the Little Lambs School of the Bible, Inc. (Written in his essay called "My Thoughts on Family")

Dear Partners,

June has sped by and I have had a great visit with three of my children. I spent 2 weeks away in Boise, Portland and Durham. In August, I will be going to Kansas to be with my son and his family. All has been well in Sebring. We are nearing a graduation for 3 men from the 2nd Chance Ministry in July and we will regret to see these young men go. But they all have plans and will be returning for follow-up, so please keep them all in your prayers.

Earlier in June, a good friend of the ministry, Dean Keppen, passed away suddenly from a heart attack. Dean taught in prison for a while and helped us set up Grace Place. He was very active in the recovery community, although he and his wife, Judy, recently retired and were enjoying traveling and family. Please keep Judy in your prayers.

Next month we will celebrate our country's founding. We relish our freedom, but it came at a high cost. Unfortunately, it will take a high cost to maintain that freedom. There are currently so many initiatives to restrict our freedom of thought and speech, even action and force certain behaviors upon us. I am so encouraged to see that people don't respond too much vocally, but they are sure voting where it counts, with their money and their feet, in response to diminishing our freedom. Never in our history has the family been so attacked and children in such danger. All our foundations are being undermined: marriage, parental custody, the Bible, value of human life, obscenity laws, our borders, our system of law, education, even our vote!

Let us all renew our effort to pray for America, but pray for our own courage to stand in God and America's defense. You may be cancelled, backlashed, blacklisted, threatened, even arrested, but you will be known by God. God is our defense and our defender! He is our ONLY defense. I always remember when we protested abortion and were arrested, what had our God planned? Why, a brand new jail to house us in with very modern facilities! It wasn't bad. But we were all changed! We were lukewarm no more! And don't be fooled, God is not a God of tolerance! He does not tolerate sin, ours or in others. We all need to repent. That is our only hope, and the hope for our nation. Let's pray that our leaders will adopt a biblical approach to Israel and leave God's land alone.

We are especially overjoyed that our numbers are rising dramatically! Today, I opened 38 lessons from Saturday and Monday!. Our June numbers were up too with over 200 lessons corrected in addition to the 50 or more sent out as new students. We are very grateful for all your monetary gifts. As you are well aware everything has risen in cost, even paper and envelopes! Now we have a very nice problem, a need for more student bibles as these new students often can't get the bible they need to work the lessons. But through you, God provides. Thank you.

Happy Fourth of July!

Your servant,
Eileen Sala

To whom it may concern, Thank You! So much for allowing me the great ability to enter the program "Little Lambs" School of the Bible, Inc. Truly, the means more to me than I can articulate or formulate or explain. This has been a "GIFT" for myself as well as those I have had ongoing conversations & debates in this building block to have more belief, more faith through the understanding given in the texts you have provided. A great help! I have been awaiting trial for 12 months in Duval, Fl. At times my faith in myself fails and falters. I have lost faith and trust in our surrounding courts, friends, attorneys, judges, the judicial system as a whole. From the laws that are supposed to protect us as citizens to the officers who are meant to uphold the laws, even guarantee our religious right, freedom of speech. These people have failed us.

Slowly I have realized God is the only One I can really rely on, the only judge that is just and consistent, the only one I can have unwavering faith in and depend on. Since reading the Bible these last 12 months, praying more, asking God for his help, fasting alone and with others, we have seen God's power and faithfulness in my fellow believers charges being dropped: murder, attempted, assault, battery drug charges, life sentences. With these courses and the Bible we are making friends whom we would never encountered before other than in here (Drs., lawyers, teachers, mechanics, pastors, and professors. People who made mistakes or were blamed for mistakes of others. God's love and blood covers all through Him we will be Free.

The Lord knows all our innermost hearts, thoughts and desires. The Lord sees 'us', not our charges. With faith and study we will gain our freedom or serve what time the Lord sees fit so we may get back to our families. I am telling you all this to tell you the reading I have been doing, the study of Creation, different ranks of angels, the 'fall of man, 'the fall of Lucifer" from a place of honor and great respect and power through his PRIDE he fell but God is faithful and just to forgive whether guilty or innocent of charges, we all have sinned and God gives us the chance to turn away from it all and be forgiven to 'win" our case by 'Faith," hard work, study, putting off the old man and putting on the whole armor of God and standing in the ranks. We will win. Lucifer made his choice, I am making mine: I want God and freedom.

I might not be able to depend on the courts, public defenders or state prosecutors, but I can depend on my Heavenly Father. I can study to show myself approved in the laws to gain my freedom from these chains life has set upon me as well as studying the bible and materials you provide me to free my mind and spirit from the chains of my birth. Maybe I will learn enough about the word to bring another man or woman to Him . Maybe I will be able to help free another man spiritually like we did physically. Thank you from my heart. Brad.
